

# Welcome to Sefar

## 'Mesh and more...'

Worldwide presence

Ancient weaving

Modern weaving

Sefar is the leading manufacturer of precision fabrics from monofilaments for the screen printing and filtration markets. Sefar products are used in a wide variety of industries, reaching from electronics, graphics, medical, automotive, food and pharmaceutical applications to aerospace, mining & refining and architecture. With its profound understanding of the applications Sefar helps its customers to achieve optimum results in their industrial processes.

Subsidiaries and fabrications centers in 25 countries on 4 continents provide local technical service for the broad range of solutions offered by Sefar. Sefar Group operates weaving plants in Switzerland, Romania, Thailand and Brazil. Its Monosuisse division produces fine and medium yarns in Switzerland and Poland. In 2011 the Sefar Group achieved sales of 330 million Swiss Francs and employed some 2'200 employees worldwide.
