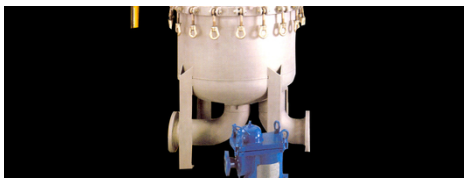
Filter Housings

Partnering with major filter housing producers, Sefar Filtration offer the very best quality filter housings available for the industrial filtration industry.



Product Features

Filter Housings

Filter housings are expertly engineered by skilled and practiced professionals who ensure reliability and ease of use for all applications.

Standard Bag Filters

Our standard bag vessels feature single gasket sealing, permanent piping and perforated metal baskets. Whether you need a vessel for one bag or 99, Sefar Filtration bag filter housings are your best choice for durable and consistent performance

Superior Cartridge Filter Housings

Cartridge filter vessel housings are constructed in a variety of piping sizes, connection styles and materials for your specific needs. Sefar Filtration can evaluate your specific needs to determine the ideal size cartridge for your particular flow application
